1968/9 Tecno F3 #BT1

This car has led an active, long and exciting life. It is believed to have been raced by Ronnie Peterson in the 1969 season, when he when the European F3 crown.The car has always been referred to as the Peterson car. It raced with the Monoposto club during the 70s and 80s passing onto HSCC events thereafter. The Tecno is a most competitive and compelling racing car, it would represent a perfect entry for the flourishing HSCC F3 championship.
