1973 Shadow DN1 6A

The Shadow DN1#6A first raced in the 1973 German Grand Prix driven by Jackie Oliver, a promising start with 8th place. His best result of the season was in the Canadian Grand Prix taking the podium in 3rd position. During the 1976 season, it was briefly campaigned in the shell G8 championship. It has been meticulously restored to its original configuration for historic racing.
