2004 Ferrari 360 Challenge Stradale

Just arrived. We have the pleasure to offer a special edition Ferrari 360 Challenge Stradale, semi automatic, LHD, 3.600cc, 420bhp, 28k miles (45048km). Finished in Rosso Scuderia with nero + rosso alcantara carbon racing seats, 4 point safety harnesses and two-tone stripes. A high performance road legal version of the 360 produced by the factory, with carbon ceramic brakes, tracked tuned suspension, weight reduction (110kg lighter than standard) power improvements and revised gearbox software. Imported 2013 and purchased through an Official Ferrari approved dealership. Maintained at Graypaul Nottingham.
