# 1957 Leyland Tiger Vanwall Transporter

A wonderful historic vehicle, the Vanwall formula 1 team transporter. Used by the Acton based world championship winning team through its unforgettable seasons of 1957-58. With a 6 cylinder 11.1ltr underfloor diesel engine and a 4 speed pre-selector gearbox. Plywood backed aluminium over a wooden frame bodywork. A unique opportunity to purchase along side the Vanwall VW7 formula 1 racing car .
