2016 Ginetta G4 R recreation (1965)

This Ginetta is a recreation of the 1965 Ginetta G4R that raced in the 1965 FIA sanctioned Sebring 12 hour International race. It was built in 2015/16 by Dare UK Ltd, the official Ginetta G4 manufacturing company, and was given FIA HTP papers in 2017 it is fully FIA legal for any events in Europe. The car has a Geoff Richardson built Ford Twin Cam 1720cc engine, and has several class wins and some overall podium finishes. In the right hands it's as quick as anything on the track today in its class.
