

1961 Lotus 20-22 # 20-J-946

Very original car with lots of history including original plate and bill of sale. Covered to 20/22 specification in the 80's by the first owner who ran the car for 47 years in America. Imported in 2008 and fully rebuilt and refreshed as required. Cockpit top subtly modified to suit taller driver with clearance for FHR/Hans device. Another front running car maintained by Hall&Hall. New Geoff Richardson engine 2017. HTP's valid until 2024.
