1965 McLaren Elva M1A#20-15

The M1a was Bruce McLaren's first production car bearing his now legendary name. Chassis 20-15 was the final car built in the series and supplied by Carl Hass for the American racer Joe Starkey in Dallas. A race winning car resulting in Starkey winning the 1965 SCCA championship. Actively raced over the last 2 decades. 2019 Goodwood race winner, pole position and fastest lap driven by Karun Chandhok. Fully restored, HTP papers valid until 2030.
