1967 MGC GTS#AD052/1060

1967 MGC GTS#AD052/1060 MBL 546E. Group 6, ex-Targa Florio, Nürburgring and Sebring. A very rare and unique opportunity, one of only two factory built lightweight MGC GTS to come out of the Abingdon MG “works” department before closure in 1970. MBL 546E known affectionately as “Mabel” raced successfully from 1967 through 1969 in four major long-distance events with no DNFs.
